AkerSolutions

part of Aker

Miltronic AS

has been ranked amongst the top 10 component suppliers to our drilling equipment business, and is thereby awarded Aker Solutions

2009 vendor certificate of merit

The merit award is based on
- Supplier relation; dependability and service level
- Delivery precision
- Automatch (PO/Invoice match)
- Conformity (NCR)
- Scheduling (penalty)

Based on a numeric evaluation of the above key performance indicators performed on 190 of our key suppliers, Miltronic AS scored 90 points of 90 possible.

Aker Solutions is pleased to present this award, and urge Miltronic AS to strive to maintain their status in the pursuit of continuous improvement on service quality.

Sincerely,

Helge Fjermeros
