

For more information please visit
www.prelectronics.com

The website header features the PR electronics logo on the left, the slogan "PERFORMANCE MADE SMARTER" in the center, and navigation links for "Language", "Career", and "Contact" on the right. A search bar is also present. Below the header is a dark navigation bar with links for "Products", "Industries", "Support", "Downloads", and "About PR". The main banner is a large image of a red terminal block with a white text overlay. The text reads: "PR 5437 2-wire HART 7 temperature transmitter" followed by "State-of-the-art specifications, e.g. total accuracy from 0.014%. Full Assessment up to SIL 3." and a "Read more >" button. Below the banner is a red bar with four categories: "Temperature", "Multifunctional", "Customer case", and "Career".
