

	DATA SHEET	
Valid from: 2019-11-08	Marking tape DYMO®	

DYMO® marking tape is specifically designed for tough industrial environments. Available in different materials and for different applications. Marking tape in vinyl, polyester, nylon – also adhesive-free marking tape. Very strong adhesion (does not include adhesive-free marking tape).

XTL version tape

Rhino version tape

Technical data

Material:	Vinyl, polyester and nylon
Recommended storage:	21 °C and 50% RH, <two years
Colour:	White, Yellow, Red, Orange, Green, Blue, Violet, Brown, Grey, Black

Mounting:

For maximum adhesive, leave label in place for at least 24h. Adhesive-free markings can be used together with FLEXIMARK® Character holders PTEF and Character holder PGS.

Other product data:

ETIM Classification:	EC001288
Approvals:	REACH, UL969
Colour combinations are suited to different control standards, e.g.: ANSI Z535, ISO38641, ANSI A 3.1, SO70010, ANSI606-B.
