

83871410	DATA SHEET	
Valid from: 29.11.2024	2-piece edge-clip cable tie UV*	

2-piece edge-clip cable tie UV* is made in polyamide 6.6, black weather resistant version combining the highest UV resistance with the lowest insertion effort.

UV resistant system composed by edge-clip along with the cable ties. The edge-clip system with cable tie allows great resistance to weather and UV-light. 2-piece edge-clip cable tie UV is specially designed for cable handling in photovoltaic installations.

Material:

Strip: Polyamide 6.6

Technical features:

Temperature range: -40°C up to +85°C

Additional features:

Material flammability rating: UL 94-V2
 Free of halogen
 UV-Resistant (tested for 3000 hours)
 Heat stabilized

Colour:

Black

Industries:

Solar industry

Advantages:

No damage to the panel.
 No holes.
 No glue.
 Time saving.
 Easy to apply.
 3 times more UV-resistant than competitors.

Note: *Trade product, no Lapp product.
 Pictures are not to scale.
