FLEXIMARK® Organized shrink tube	Valid from: 2013-02-08

FLEXIMARK® Organized Shrink tube

General Description:

- For single core and cable marking
- Can be printed with a thermal transfer printer as CAB A4+ /A4+M
- Recommended ribbon: 83260201- Ribbon FTI-Y 55-360 BK
- Also available as halogen-free and diesel-resistant version
- Is delivered in form of a roll

Technical data:

- Material: Polyolefin, shrinking ratio shrink tube: 3:1 (halogen-free variant: 2:1)
- Resistance: UV-resistant, resistant against fluids (SAE-AMS-DTL-23053 tested), Halogen-free variant: good chemical resistance, diesel-resistant version: additionally good resistance against diesel
- Colors: Yellow and white
- Temperature range: -55 °C up to +135°C (Halogen-free: -30°C up to +105°C)
- Approvals: ROHS, UL 224
