

Press Release

Peter Schmid succeeds Werner Knies

Change in the LAPP Holding AG Supervisory Board

Peter Schmid has been a member of the Supervisory Board at Lapp Holding AG since 1 June 2021

Stuttgart, 16 August 2021

The Swiss businessman and lawyer Peter Schmid (59) was appointed to the Supervisory Board at LAPP Holding AG with effect from 1 June 2021. He succeeds Werner Knies, who has stepped down from the Supervisory Board.

“Mr Schmid is an outstanding businessman, lawyer and consultant. He has known LAPP for many years and will support us in consistently setting the course for LAPP’s successful future. He will definitely enrich our Supervisory Board”, explains Siegbert E. Lapp, Chairman of the Supervisory Board at Lapp Holding AG.

Peter Schmid has been a member of the Board of Directors at Lapp Tec AG in Diessenhofen since 2014.

The Swiss subsidiary develops and produces sophisticated plastic solutions. As the proprietor of Schmid Rechtsanwälte in Zurich, Peter Schmid mainly deals with family companies in matters relating to company law, contract law and capital market law. He also acts as an arbitrator in legal proceedings.

Press Release

The supervisory body at Lapp Holding AG currently comprises three members: Siegbert E. Lapp as Chairman of the Supervisory Board. Other members are Dr Hans Schumacher, the former Chairman and Managing Director of Dürr Systems GmbH and Peter Schmid.

About LAPP:

Headquartered in Stuttgart, Germany, LAPP is a leading supplier of integrated solutions and branded products in the field of cable and connection technology. The company's portfolio includes standard and highly flexible cables, industrial connectors and cable entry systems, customised system solutions, automation technology and robotics solutions for the intelligent factory of the future, as well as technical accessories. LAPP's core market is the industrial machinery and plant engineering sector. Other key markets are the food industry as well as the energy and the mobility sector.

LAPP has remained in continuous family ownership since it was founded in 1959. In the 2019/20 business year, it generated a consolidated revenue of 1,128 million euros. LAPP (with the inclusion of its non-consolidated companies) currently employs approximately 4,575 people across the world, has 20 production sites and around 43 sales companies. It also works in cooperation with around 100 foreign representatives.
