

# CAMUNACAVI

Connectivity Solutions for the Oil & Gas Industry

**CAMUNACAVI**

**LAPP GROUP**

# for oil and gas

When you choose Lapp Group you'll connect with a global company that combines international capabilities with domestic manufacturing, along with extensive applications experience, ensuring the utmost in product quality and availability.

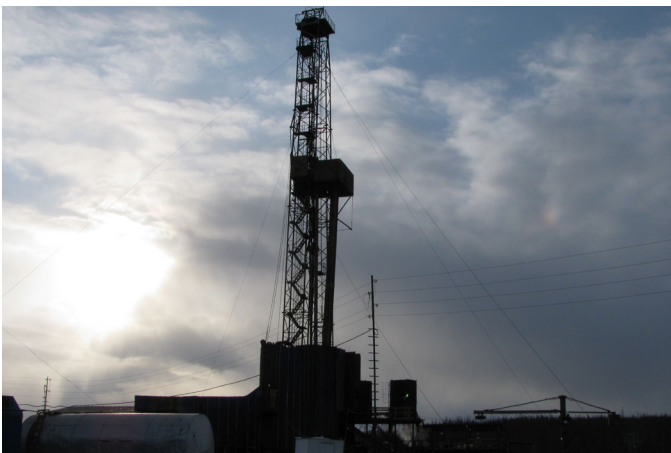

**CAMUNACAMI**

 **LAPP GROUP**

# The right connection for oil & gas applications

Meeting the needs of the most challenging installations:

**upstream, midstream & downstream**

Connect with Lapp Group for engineered, custom cable solutions for your next project.

# for oil and gas

Connect with Lapp Group for custom designed cables manufactured according to your specific needs. Our team is ready to understand your operating challenges and design the right cable solution for your applications in oil and gas.

Your custom cables from Lapp Group provide power, data, and signal and control connecting sensors and actuators. Together we'll develop unique cable designs that can be installed in the most rigorous environments, where EMC protection or explosion-proof products are required.

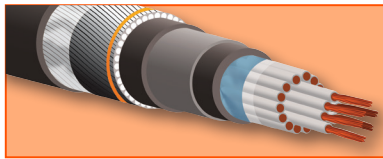

# The right connection with the right cable

## Custom Cable

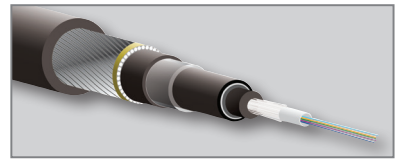

Instrumentation Cable

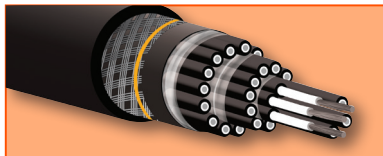

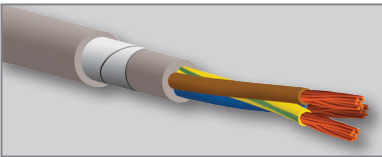

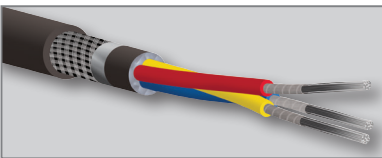

Control Cable

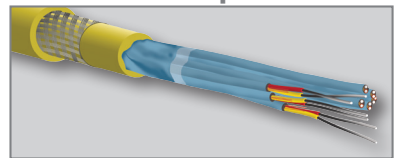

Copper & Fiber Optic  
Data Cable

Power Cable

Thermocouple Cable
