Product Change ETHERLINE[®] MARINE FRNC FC CAT.5 2x2x22AWG

Dear Sir or Madam

Herewith we'd like to inform you about changes in our product range.

The product **2170889 ETHERLINE[®] MARINE FRNC FC CAT.5 2x2x22AWG** will be subject to a change to the UL approval as of 1st August 2021. **The previous UL CMG Listing will be replaced by a UL CM Listing.** Both approvals classify the product as a communications cable for general purpose use. It is intended for general use within buildings in accordance with the NEC article 800.53(E)(1). As a rule, CM and CMG cables are suitable for installation in cable trays and other non-plenum/non-riser areas. The main difference between the previous CMG listing and the future CM listing lies in the flame test to be completed, where the flame test for CMG Listing is to be regarded as more demanding.

Orders of this article are possible throughout.

For more information contact with LAPP subsidiary in your country.

Kind regards
