

LAPP India participates in INTEC 2017

LAPP India showcases ÖLFLEX® CONNECT, their customised cabling solutions

Bangalore, June 2nd, 2017: [LAPP India](#), a 100% subsidiary of the Lapp Group Germany, a leading supplier of integrated solutions and branded products in the field of cable and connection technology in India participates in the 17th edition of INTEC 2017 from June 1st– 5th, 2017 at the Codissia Trade Fair Complex in Coimbatore.

Organized by the Coimbatore District Small Industries Association (CODISSIA), INTEC is a flagship International Industrial Trade Fair that brings together the very best in technological advancement in Machine Tool industry. INTEC is a congregation of various Industries exhibiting their finest innovations and services.

At INTEC 2017, LAPP India displays its standard product offering in cables, connectors, glands and accessories. In addition to cables, connectors and glands, LAPP also offers **ÖLFLEX® CONNECT**, the cable assembly solution. The solution ranges from cable or custom servo assemblies to complex drag chain applications. This plug and play solution displays superior German quality and high competence for the machine tool industry, hence being the best choice for the fast growing machine tool industry.

The machine tool industry is the backbone of the manufacturing industry. To help the sector with comprehensive manufacturing solutions, it is critical to have compact, advanced and easy to configure machines. Therefore, the industry constantly demands for slim, light weight, highly flexible cables which not only meet the global standards but also overcome the challenges faced due to harsh environment conditions, continuous motion and high temperature. Also on display is LAPP India's **ÖLFLEX® ROBOT 900 P**, **ÖLFLEX® ROBOT F1** and **ÖLFLEX® CHAIN 808** which are products especially designed for this industry.

“Coimbatore is the hub of the Machine Tool industry in India and is home to our largest and oldest clientele. Continuing our 20 years of association with the city, we are excited to be showcasing LAPP India's range of products and solutions at INTEC 2017. We believe LAPP's innovation will continue to seed the opportunity in the thriving machine tool sector to develop innovative solutions and make an impact on the sustainable growth of the Indian economy”, said **Mr. Marc Jarrault – MD – LAPP India Pvt. Ltd.**

LAPP India had earlier this year, launched EPIC® SMART Industrial Connectors at IMTEX 2017 in Bangalore. EPIC® SMART is designed and manufactured in Asia for the Asian market and promises high performance at a cost-effective price.
