New version of H-BE inserts with additional laser printing

Many customers asked us for an additional version of H-BE screw inserts with higher numbering where the numbers are better visible. The current numbering is therefore being clearly overwritten with black laser printing. The allocation of the termination and the mating side can now be better identified. The articles are available now. The existing items in the main catalogue which are not laser printed will remain unchanged.

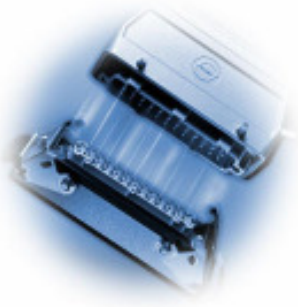

44423027	EPIC H-BE 16 BS DR 17-32 LP	(alike 10202000)
44423028	EPIC H-BE 16 SS DR 17-32 LP	(alike 10203000)
44423029	EPIC H-BE 24 BS DR 25-48 LP	(alike 10204000)
44423030	EPIC H-BE 24 SS DR 25-48 LP	(alike 10205000)

*LP in the product description means **Laser Printing**
The products are labelled with the article number
