## EPIC® Cross Reference Search

For EPIC® is a Cross Reference Search in Internet available. Follow at LAPP homepage ([www.Lappkabel.de](http://www.Lappkabel.de)) the link to web catalogue and then flag „Search“. There is right at the bottom of this page the Cross Reference Search.

Fill in the requested part number in the field. It is possible to search for „old“ EPIC® part numbers as well as part numbers of the competition. As a result the current EPIC® part number will be displayed. To verify if it is the right article there is a direct link to the “web catalogue” page.

Benefits:

- Worldwide access to product alternatives from LAPP
- Technical data (electrical and mechanical) of the alternatives will be displayed.
- Fast and easy to handle, as the Search allows special and space characters. Therefore different ways of writing is accepted.
