## EPIC<sup>®</sup> H-B panel mount base and surface mount base with new bracket for covers

The panel mount base and the surface mount base of the H-B series have a new bracket for the covers. The new bracket has only one screw. Affected are hundred of articles size H-B 6, H-B 10, H-B 16 and H-B 24.

The bases with cover have the following features:

- Degree of protection:  
IP 40 cover closed  
IP 65 cover closed and latched
- Improved fixation of the holder in cross-forces
- Heavy duty metal covers made from solid aluminum alloy

The part numbers of the affected housings stay unchanged. This optimization will flow continuously into the production. Due to the large variety of products and different range of stocks, in some cases it will be possible to have mixed deliveries to the customers. The production of the bracket is started.
