## Digital Business Analyst (f/m/d)

The Lapp Group has 3.770 employees, that stand up for cable technology. With a consolidated annual turnover of 1.027 Mio. EUR in year 2016/17 and 57 international companies, we are one of the leading providers.

### Your Tasks:

You develop and conduct ad hoc analyses in order to derive recommendations for operative measures. You support your colleagues in preparing data driven bases for decision-making. You create analyses for our own digital touchpoints on a regular basis and derive recommendations for action. You work in an agile project environment together with the developing team. You implement ETL/ ELT jobs. You integrate various data types and data sources, creation of data vault and multidimensional data models and you develop and implementation of data integration patterns.

### Your Profile:

- Degree in economics-/information technology, or a similar course of study and interested in latest AI related technologies
- You are good with numbers and capable to find your way through new and complex data environments
- You have a very good knowledge in SQL and with the work of relational databases. (Microsoft SQL Server, Exasol, Teradata)
- You have practical knowledge with ETL tools as well as experience in script based ETL-development
- Savvy handling with repositories and software versioning
- Ideally you have experience with Java, Hadoop, MapReduce, Hbase, Hive
- You have distinct conceptual skills and readiness of mind
- You enjoy working in a team across functions & hierarchies
- You work independently and develop new approaches for data based marketing and sales control
- You have a strong affinity to tech and you are open minded for innovative topics

If you want to breathe new life into your career planning, then send us your application with information on your availability to our personnel department.

Our human resources manager Mr Uhlemann will be happy to answer any questions you may have in advance at 0711/78 38-3020 or by Mail to [personal@lappkabel.de](mailto:personal@lappkabel.de)
