"In Jan Ciliax, we are gaining an experienced and expert finance specialist. Thanks to his many years of experience in large, internationally successful technology companies and industries, he can make an important contribution to supporting LAPP on its growth course," said Siegbert E. Lapp, Chairman of the Supervisory Board at LAPP Holding AG.

During his career, Jan Ciliax has worked for well-known companies in various management and financial management positions in Germany, France, Spain, the USA and Switzerland. For the past 12 years he worked at TE Connectivity, most recently as CFO of the industrial division with business units in the field of mechanical and plant engineering, energy, medical engineering, aviation and oil and gas. He completed his degree in Business Administration at the Christian-Albrechts University in Kiel. "LAPP is a very solid and innovative family company with great potential. I am looking forward to this new challenge," says Jan Ciliax.

Andreas Lapp, Chairman of the Board of LAPP Holding AG, added: "Particularly in these challenging times, we need a business partner on equal terms who can work with us to set the course for a successful future. With Jan Ciliax's know-how on our side, we will be able to continue our strategic growth."

Jan Ciliax is married and is the father of three children.
