

29410200	DATA SHEET
Valid from: 30.06.2021	GOF Adapter Duplex SC Multimode MT /4PC

Description

- GOF Optical fiber adapter SC-Duplex
- Multimode

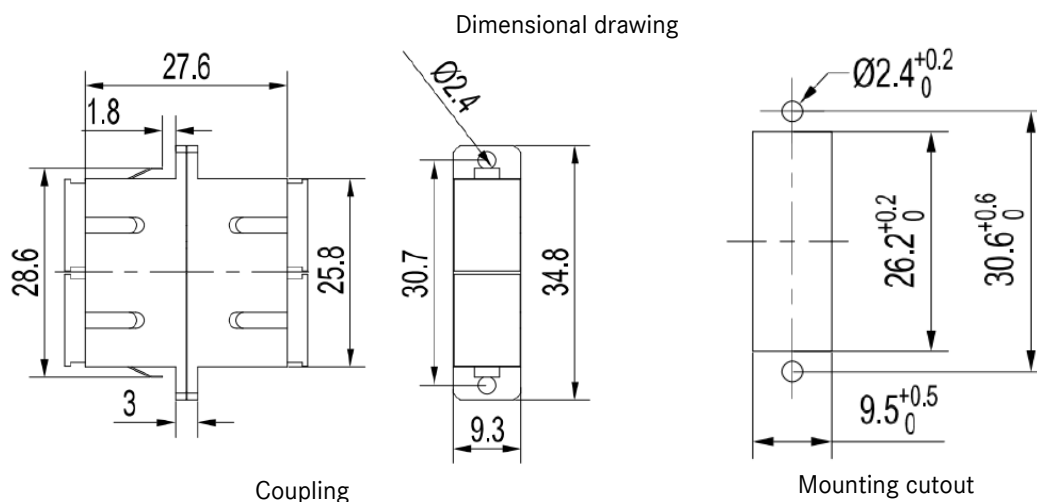

General characteristics

Type of coupling	SC-Duplex (SC-D)
For fibre-type	Multimode (MM)
Flange	Yes
Attenuation	< 0.2 dB
Temperature range	-40 °C to +85 °C (-40 °F to 185 °F) (Operation)

Mechanical properties

Flame retardant acc. to UL 94	V-0
Housing, material	Metal
Guide sleeve, material	Zirconia
Mating cycles (min.)	1000

Technical drawing

Standard

Fibre optic connector interfaces – Part 4: Type SC

IEC 61754-4

Application range

Office, Data centers, Industry
